DEFENCE ORGANISATIONS

DRIVING INDIGENOUS DEFENCE TECHNOLOGY

Champion self-reliant R&D and technological focus through dynamic public-private partnerships. Reduce dependency and build the next generation of defence innovations.

Leverage cutting-edge AI, cyber defence, and logistics computing to strengthen operational excellence and mission readiness at every level.

EXCLUSIVE ACCESS & COLLABORATION

Connect with leading defence technology providers and classified research networks—build alliances for critical infrastructure and technological advancement.

OPPORTUNITIES FOR DEFENCE LEADERS

- Identify which defence challenges require immediate solutions
- Explore how R&D partnerships can rapidly accelerate your strategic capabilities
- Discover operational areas that will benefit most from advanced computing integration

SCI 2025 is the platform for India's defence sector to lead in innovation, readiness, and national security.
